

# MNI COMMODITIES

MNI's Oil & Gas service offers real-time, actionable intelligence and insight on global oil/oil product, natural gas & LNG markets delivered in a concise format via the MNI website and 3<sup>rd</sup> party chat platforms. Alongside this, we provide comprehensive weekly analysis pieces, market roundups ahead of each regional trading session and ad-hoc research reports on pertinent topics in the sector, as well as comprehensive previews ahead of all key industry meets such as OPEC.

## WHAT'S INCLUDED:

- Minute by minute insight on market price action, including: product spreads, options & swaps.
- Industry insight on the following:
  - Production and consumption dynamics
  - Inventories, reserves, independent stocks
  - Shipping updates
  - Major projects & refining news
- Real-time political & geopolitical risk analysis
- Insight on the global economy, in particular US, Eurozone & China
- Connecting the dots between MNI exclusive sources and insights relevant to the global energy markets
- Key macro reports, including: previews ahead of Fed rate decisions, US CPI & NFP releases, global macro outlook commentaries & more

## WHY YOU NEED THIS:

- Our specialist team includes former energy traders, industry experts, political analysts & macroeconomists, with full analyst interaction available
- The service combines short, medium and long-term analysis to keep clients abreast of the market, utilising our Markets and Policy team's exclusive reporting and real time analysis
